4. Uniform requirements

- 4.1. Correct uniform should be worn at all times during the day. It is expected that pupils will change for PE sessions and wear the appropriate kit. Uniform should also be worn for educational visits unless the principal determines that pupils should wear alternative clothing (e.g. a residential visit, outdoor activities). All items of uniform should be clearly marked with the pupil's name, this can be written with a permanent marker or a sewn/ironed in label.

Please see Appendix 1 for the individual academy's uniform requirements.

- 4.2. Pupils are expected to wear their uniform correctly, responsibly and with pride. Staff will praise pupils verbally for their presentation where appropriate. If the child is not wearing the appropriate uniform they should be asked why, supported to wear uniform from school spares and reminded to wear their own uniform the next day. Staff should try to understand the child's circumstances and apply the policy appropriately. If a child is choosing to not wear appropriate uniform then an appropriate sanction may be applied in accordance with the school behaviour policy.
- 4.3. Pupils who continue to breach the Policy will be referred to a member of the academy leadership team who will contact parents to discuss the issue.
- 4.4. The academy will consider reasonable requests to alter the academy uniform, for example for transgender pupils, genuine religious requirements and reasonable adjustments for disabled children. Where there is uncertainty as to whether an item may be worn under this section, the issue must be referred by the pupil's parents to the Principal, whose decision will be final, subject to the complaints procedure set out in the Complaints Policy.

5. Symbols of faith

- 5.1. Certain items of jewellery, such as the Kara bangle, and certain items of headwear, such as the turban or a headscarf may be worn by pupils when doing so is genuinely based on manifesting religious or racial beliefs or identity. This is subject to considerations of safety and welfare.
- 5.2. Where there is uncertainty as to whether an item may be worn under this section, the issue must be referred by the pupil's parents to the Principal, whose decision will be final, subject to the complaints procedure set out in the Complaints Policy.

6. Disabled pupils

- 6.1. Reasonable adjustments may be requested to the uniform for disabled pupils who require them. The parents should refer the matter to the Principal to ensure all reasonable adjustments are made to accommodate the pupil.

7. Valuables

- 7.1. The academy cannot take responsibility for damage, loss or theft of any of these items. All personal items including uniform should be clearly labelled with a pupil's full name.

8. Responsibilities

8.1 The following responsibilities apply in relation to this policy:

- Teachers are responsible for ensuring pupils adhere to this policy
- Heads of academy and principals have overall responsibility for the correct implementation of this policy

9. Cost Considerations

9.1 The Harmony Trust, in-line with government guidelines, ensures the use of branded items is kept to a minimum. Parents may choose to purchase non –branded items that are the correct uniform colour.

9.2 The Trust ensures that our uniform supplier arrangements give the highest priority to cost and value for money (including the quality and durability of the garment).

9.3 Items of uniform and related costs can be obtained from the supplier www.ahyde.co.uk

9.4 Items of second-hand uniforms are available for parents to acquire, where donations from parents allow this. Information on the availability of second-hand uniform items can be obtained from the academy office along with details of how clean items which are in good condition can be donated. This information can also be found on the academy's website.

9.5 We aim to support sustainability and will do all that is reasonably possible to enable parents to exchange uniform. This will usually be at the end of an academic year.

10. Monitoring and compliance

Compliance with the uniform policy will be monitored within the academy. If the principal has particular concerns regarding the policy then they should refer this to the CEO as their line manager.

Non-compliance

The DfE's non-statutory guidance on school uniform (September 2013) sets out the academy's right to discipline pupils for breaching rules on appearance or uniform, provided that it is in accordance with the academy's published behaviour policy.
